

## Wink-Wink Nudge-Nudge 2018

-Well, we're doing quite nicely.

-Indeed! But we need to cut each individual monthly entitlement 20%.

-But why? Politically...?

-That's why. It goes to Party.

-In our front door and out the back. But last year's Privatization Act says any Social Security cuts must be voted on by recipients.

-We have an outfit starting to handle that. In an especially creative way.

-So, old folks'll vote to slice their throats.

-For the nation!

-What could be clearer?

-Old patriots never die...hoping they'll hurry along though.

-Bingo! Wit and humor in the top privatization firm.

-You think so? I'm funny?

-Sahara dry, Chief, Sahara dry!
